

ROUGH BS & KINKY Y/N/M

BDSM PRE-NEGOTIATION TOOLS

<p><u>R</u>ESTRAINED</p> <p><u>O</u>WNER</p> <p><u>U</u>SED</p> <p><u>G</u>IVEN AWAY</p> <p><u>H</u>UMILIATED</p> <p><u>B</u>EATEN</p> <p><u>S</u>ERVE</p>	<p>ROUGH BS is a preliminary BDSM pre-negotiation tool used to outline limits and determine compatibility between potential scene members. This system also helps the Dominant construct a scene geared toward the submissive's needs and desires.</p> <p>Go through each category to the left and determine how much you enjoy engaging in that activity as a submissive. Use a 1-10 scale with 1 being the least and 10 the greatest.</p> <p>To determine specific interests and limits, go through the items below responding to each in a Yes/No/Maybe format. Have all parties discuss their responses to each item. Be sure to also take into account any allergies, medical conditions, triggers, or aftercare concerns.</p>
