BIOGRAPHY

Sunny Megatron is an adult sexuality educator, public speaker, sex blogger, and pleasure advocate. She is also the host and executive producer of “**Sex with Sunny Megatron**” on Showtime.

Voted as one of the six savviest sexologists in North America, she guest lectures at universities and teaches sold-out sexuality workshops across the continent with her husband, **Ken Melvoin-Berg**. The couple covers a wide variety of topics, including Intro to BDSM, Sex Toys 101, Oral Sex Basics, The G-spot and Female Orgasm, Anal Play, Non-Monogamy, Electric Play, and more.

In addition to running her wildly popular sex-ed YouTube channel, Sunny also hosts the pleasure-products focused web series, “**Outside the Box**,” for **InsideAdult.com**, and the BDSM focused web series, “**Kinky Korner**.” Behind the scenes Sunny is an adult-content copywriter, penning how-to articles on sensual subjects ranging from the commonplace to extreme. Sunny is also one of **California Exotic Novelties**’ “Expert Sexperts.”

In her home city of Chicago, Sunny hosts “Red Light District” sex tours. These tours are part sex history and part modern-day sexual education, allowing guests to visit some of the sexiest spots in the city for hands-on instruction. One of her tours was featured on The Travel Channel.

The former “vanilla,” corporate working mom became an active member of the BDSM and non-monogamous communities in her mid 30s. Her unique experiences and mid-life revelations are what help make her so relatable to people at various points in their sexual journeys. These same experiences also serve as the catalyst inspiring her second career in adult sex-education.

Sunny is most known for her approachability, humor, and ability to present alternative sexuality topics in ways that are accessible and understandable to a mainstream audience. She is also extensively knowledgeable about sex enhancers, like dildos, vibrators, and BDSM gear.

Passionate about sex positivity, self-exploration, pleasure-based sex education, sexual safety, and women’s issues, Sunny believes sexuality isn’t shameful, and it’s time we stop making it out to be. Her goal is to normalize all types of sexuality and end sexual stigma. Sunny particularly enjoys helping those curious about adding a little spice to their sex lives, but are unsure where to begin.
